

PLAY LEARN  
PERFORM GROW

Issue 8 April 2011

Hi all,

We are now into our third and final term for this year – it's been an exciting and busy time for us all at Musicians.ky. There have been a couple of things going on this month that I am really pleased to be sharing with you!

### **MUSICIANS CONCERT FOR JAPAN WEDNESDAY 6<sup>th</sup> April**

Our second concert to raise money for the Japan earthquake victims was very well attended. Our students (some of whom performing for the first time in a formal setting) did so well and parents were entertained with a wide variety of music from around the world. I am pleased to inform you that the total raised for the Cayman Islands Red Cross was **CI\$1,352**. I am sure this money will be used in the best possible way to help in the recovery of Japan's worst hit areas.

## EASTER INTENSIVE PERFORMING ARTS CAMP APRIL 26<sup>TH</sup> – 28<sup>TH</sup> 2011

It was an action packed, crazy three days for our students, but all the hard work paid off and an amazing one hour fifteen minute show was delivered to an impressive audience on Thursday 28<sup>th</sup> April. Each group got to sing, dance and perform in a play (what I didn't mention on the night was the fact that the older two groups actually helped in creating their own scripts which was amazing given the limited time!) The whole cast took part in the Opening number (a very lively FAME!) and Finale (We Go Together) which allowed each child to take the stage an impressive five times! A great evening was had by all – videos will soon be on the website and photos are already up. Well done to all involved and a big thank you to my staff Miss Cat, Miss Ellie and Mr Rod for all their hard work.

## **TRINITY GUILDHALL EXAMINATIONS TUESDAY 17<sup>th</sup> – FRIDAY 20<sup>th</sup> MAY 2011**

Students who have been entered for Trinity exams this session should by now have been given their performance day/time. We have a huge entry of 92 students (piano, guitar, violin, viola, cello, clarinet and voice) ranging from initial level to grade 6. Please continue to encourage your child to practise in all areas (pieces, studies, scales, technical exercises, musical knowledge/sight reading and aural). Good luck to all students!

## **SATURDAY PERFORMING ARTS CLASSES**

These classes are well under way and our students are enjoying some new dances and songs to learn. As this term is much shorter than the previous two (only 8 weeks) it has been decided to join all four classes together for our end of term recital on Saturday 25<sup>th</sup> June. Students will need to be dropped at Cayman Prep School Smith Road at 11am for a run through with the other groups. Parents, family and friends will be asked to return for our recital which will commence at 12pm. This will in fact be in the form of a little “show” – it will be nice for the students to see their peers perform and will also mean an exciting hour long show for parents. We will be finished by 1pm. More details will follow in next month’s newsletter.

## **SUMMER CAMPS 2011**

We will be running a number of camps throughout the summer – posters/ads will be going up in the next few days. FYI:
