PERFORM GROW**

Issue 7 March 2011

Hi all,

This term has been a fun and busy one with many opportunities for our students to demonstrate their performing skills at the various events and concerts held recently. Next week is the final week for instrumental lessons. I will be sending out new invoices for next term along with dates and schedules in the next few days. Please ensure that all outstanding balances are paid prior to the last lesson of this term.

TRINITY GUILDHALL EXAMINATIONS

We can now confirm dates for Trinity Guildhall Examinations. They will take place Wednesday 18th – Friday 20th May. Parents will receive their child's day and time via email before the end of next week. For those of you going away over Easter –please try and have your child take their instrument with them to practise. If this is not possible they can still take their music/scales/musical knowledge information to study while on vacation. It is important that they don't forget what they've learnt this term as the exam is just around the corner.

MUSICIANS CONCERT FOR JAPAN WEDNESDAY 30TH MARCH

A huge thank you to all of the students who participated in this concert. It was great to watch them perform in a formal setting (there were plenty of nervous musicians but they all did great)! Not only was it useful for students as a "warm up" to their real Trinity exam, but we managed to raise \$525 for the Red Cross. Thank you to Hemant for coming along and giving a speech about what the money raised will be used for. Also thanks to Miss Cat for organising the Cayman 27 TV crew to film the event – we had a lovely segment broadcast on last Thursday's news. There will be a second concert on Wednesday 6th April. Details of that and how much we raised will be in next month's newsletter.
