

PLAY LEARN
PERFORM GROW

Hello again,

With Christmas just around the corner, I am sure that over the next few weeks you will be hearing your favourite Christmas carols being played by your children. I do hope that they enjoy their next few festive lessons as much as the teachers will! Please continue to encourage your child to practice on a regular basis and feel free to sing along to those memorable tunes!

CHRISTMAS ASSEMBLY AT CAYMAN PREP

Some of our Cayman Prep students will have the opportunity to perform at the end of term Christmas Musical Morning which will be held in the school hall on Thursday 16th Dec (8 – 9am). There will be solo and group performances from both our Infant and Junior instrumentalists. I hope that you will keep a space in your diary to come along and support their achievements this term.

BROADWAY STARS/MUSICAL YOUTH THEATRE HEAD TO THE RITZ ON 4TH DECEMBER!!!

Our Performing Arts students are privileged to be performing at The Ritz for their first end of term recital on Saturday 4th December. Parents, family members and friends are invited to come along and watch our stars in the making. They have been working very hard this term and are extremely excited to be putting on a show at such a glitzy venue. Recitals will be held during normal class time – parents will be asked to drop off their child for the first half of the lesson and then return in the second half for the recital. It might be a nice idea for parents to have a little time out themselves and grab a fresh coffee from the Silver Palm Lounge before making their way to the recital room. It will be a great deal of fun and our students look forward to showcasing their talents for you.

TRINITY GUILDHALL EXAMINATIONS 2010

Yes already it's that time of year again. We have a number of students who are entering for their grade exams this session. I trust that by now they are well prepared and have memorized all those scales! Although we haven't officially had our exam date it is highly likely that Opus Music/Musicians students will be examined on Monday 13th December. This is later than we had anticipated so I hope that students take full advantage of the little extra time they now have to practice and polish their music. Exams will be held in Cayman Prep School Smith Road. Each candidate will shortly be allocated a time and must make sure they arrive at least 20 minutes prior to their exam.

Good Luck to all students!!!
