Summer Newsletter 2012

Hi all,

Firstly I'd like to welcome back all our existing students – I do hope you had an exciting and eventful summer. A warm welcome goes out to all our new students and parents of Musicians Ltd. Our newsletters are sent out monthly and are full of information on what's happening in our busy music school!

New Staff for 2012-2013

In July we unfortunately had to say farewell to two of our staff members. Miss Ellie decided the time was right for her to return to the UK. She wanted to be based nearer to her family and friends. She will be commencing work at her old high school which I am sure will be a great experience for her. Miss Cat had such a wonderful time here in Cayman and especially enjoyed the group performing arts classes. We accomplished so much last year (huge production of High School Musical and a performance at Disney World, Orlando) and I am grateful for all the hard work she put in to ensure this success. Miss Cat decided to broaden her training and will be studying for her PGCE in the UK. I am pleased to say that both Mr. Seb and Miss Holly will still be teaching this year with Musicians Ltd. Mr. Seb will be taking care of the string instrumental program and will also be teaching piano. Miss Holly will continue her superb work in the guitar area – she will be busy with her students as it seems to be a popular choice of instrument this year!

I am thrilled to introduce to you three new members of staff this year at Musicians Ltd. Emily Melland (Miss Ems) is from the UK and is our replacement teacher for Miss Ellie. She will be covering piano, voice and flute lessons and will be assisting with our Broadway Stars and Musical Theatre classes. Katarzyna Smith (Miss Kazia) also originates from the UK and is our musician/dancer extraordinaire! She will be taking our Friday dance classes where students will be exposed to different styles of dance (term 1 being Ballet/Contemporary) and will front the dance element in our Broadway Stars and Musical Theatre classes. She is an expert in the areas of ballet, tap, jazz and modern and I look forward to seeing her in action over the next few weeks. Kazia will also be teaching woodwind, voice and piano as part of our instrumental program. We are also pleased to have Lauren Knuckey (Miss Lauren) join our team this year. Originating from the UK Lauren is a string specialist and will be assisting Mr. Seb in the string program. She will also teach piano and will front the drama section in our performing arts program.
